

Until . . .

- Until we're considered equal, and not simply 'tolerated'.
- Until our youth aren't forced to leave home for the streets.
- Until our partners are welcome at all family, social and workplace events.
- Until the police are there to protect us not harass us.
- Until sex trade workers, are not seen as criminals.
- Until our children see our families reflected in school curriculum and story books.
- Until our differences and our cultures are celebrated not denied.
- Until it's safe to come out at work.
- Until it's safe to come out at school.
- Until hospitals, banks, travel agents, and insurance companies see us as people not problems or profits.
- Until we're not stereotyped into certain jobs or denied others.
- Until parents aren't freaked out by having lesbian, gay, bisexual or transgender children.
- Until we don't have to justify, explain, educate and expose our private lives.
- Until harassment at work stops.
- Until our streets are safe for lesbian, gay, bisexual and trans people.
- Until religions open their doors to our celebrations and expressions of faith.
- Until we can express our gender without fear of reprisal or ridicule.
- Until gender stereotyping stops and we are all free to be wholly human.
- Until the cure for homophobia is discovered.
- Until we can love and be loved, with joy and gay abandon.
